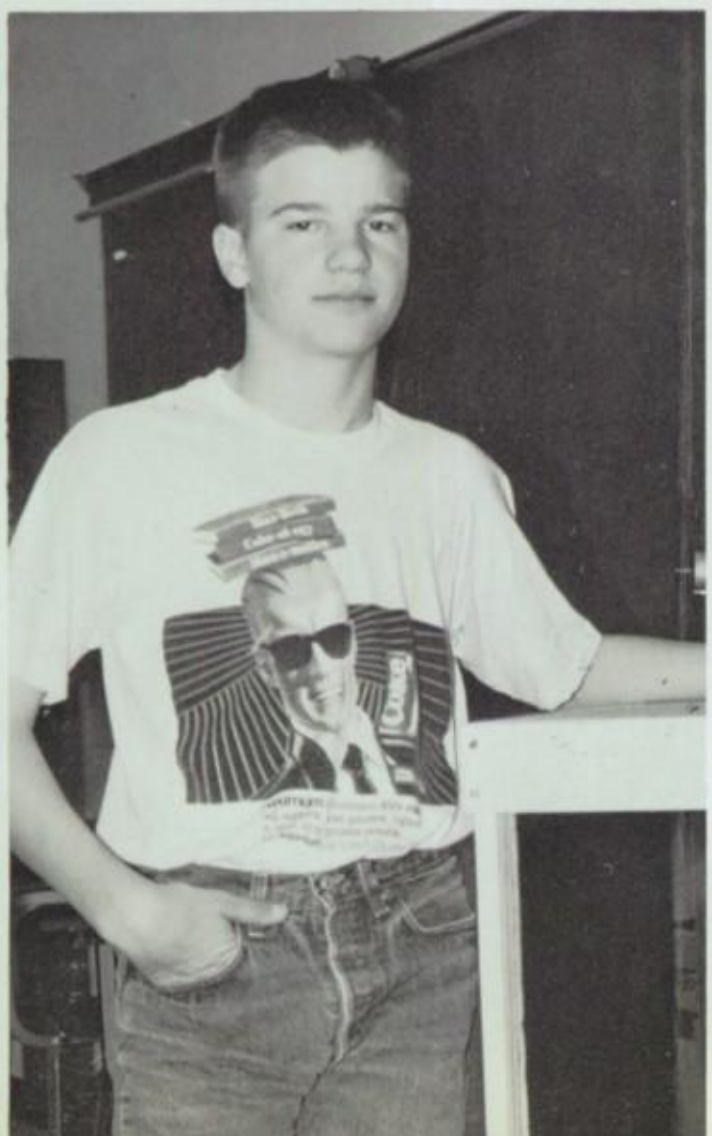
A PIECE OF THE PUZZLE

Our school, like a jigsaw puzzle, contains many different pieces.

Each one is a part of the whole,

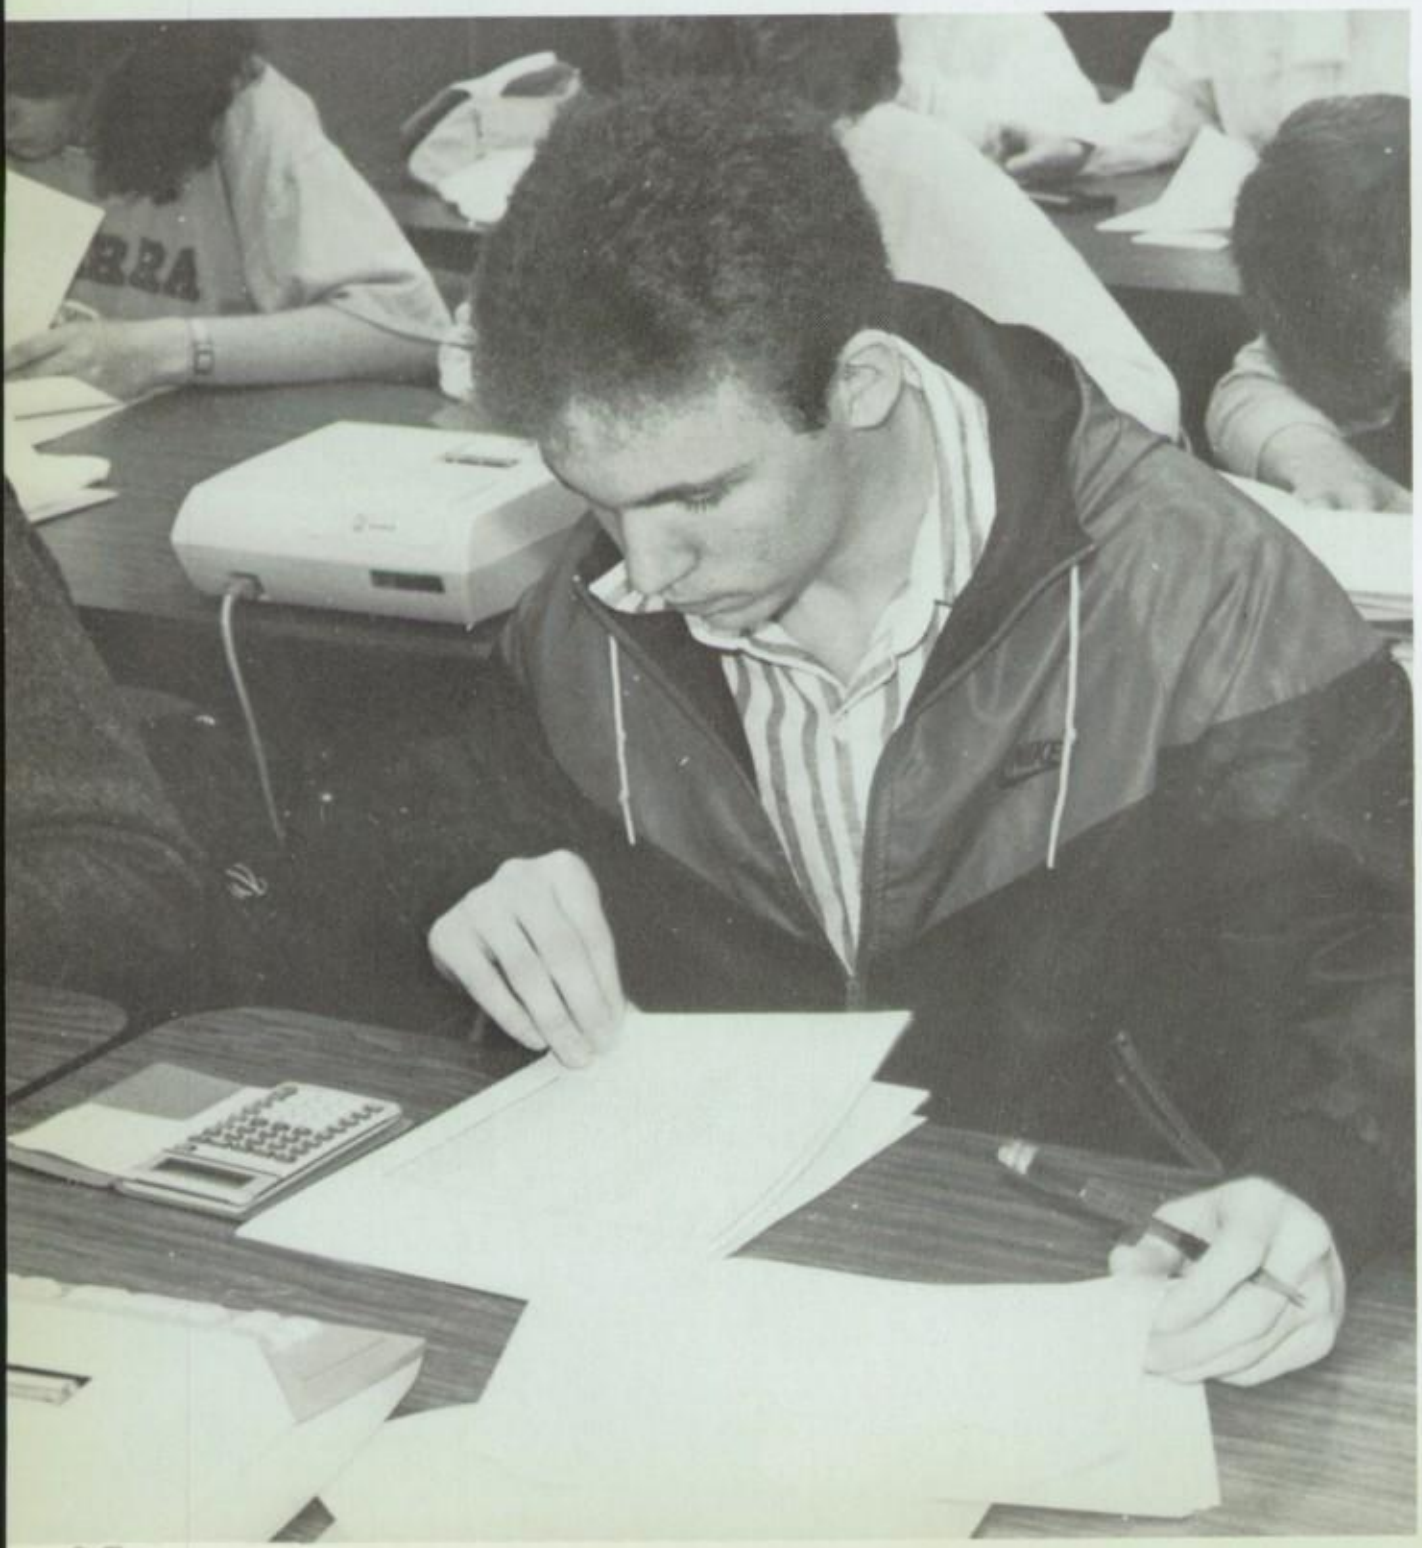


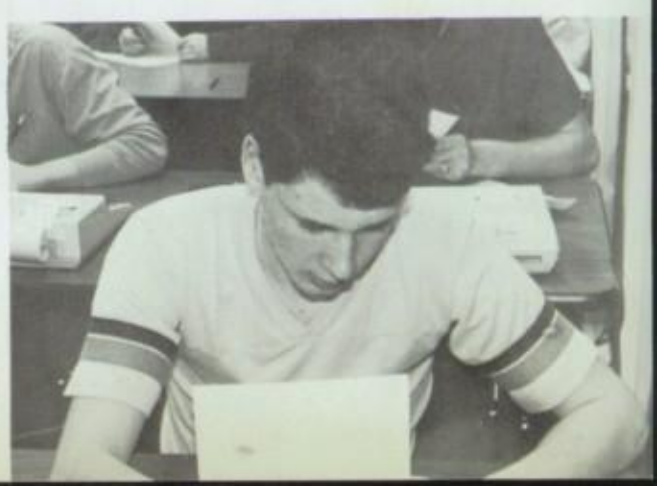
without which, the picture would be incomplete.

The people in our school-administration, faculty, and students-make up important pieces of the puzzle.

Each person has a spot to fill, a part to play, that makes this school truly unique.

Academics also form a major piece in our puzzle.





The classes, homework, tests, and studying all create the framework around which the rest is structured.

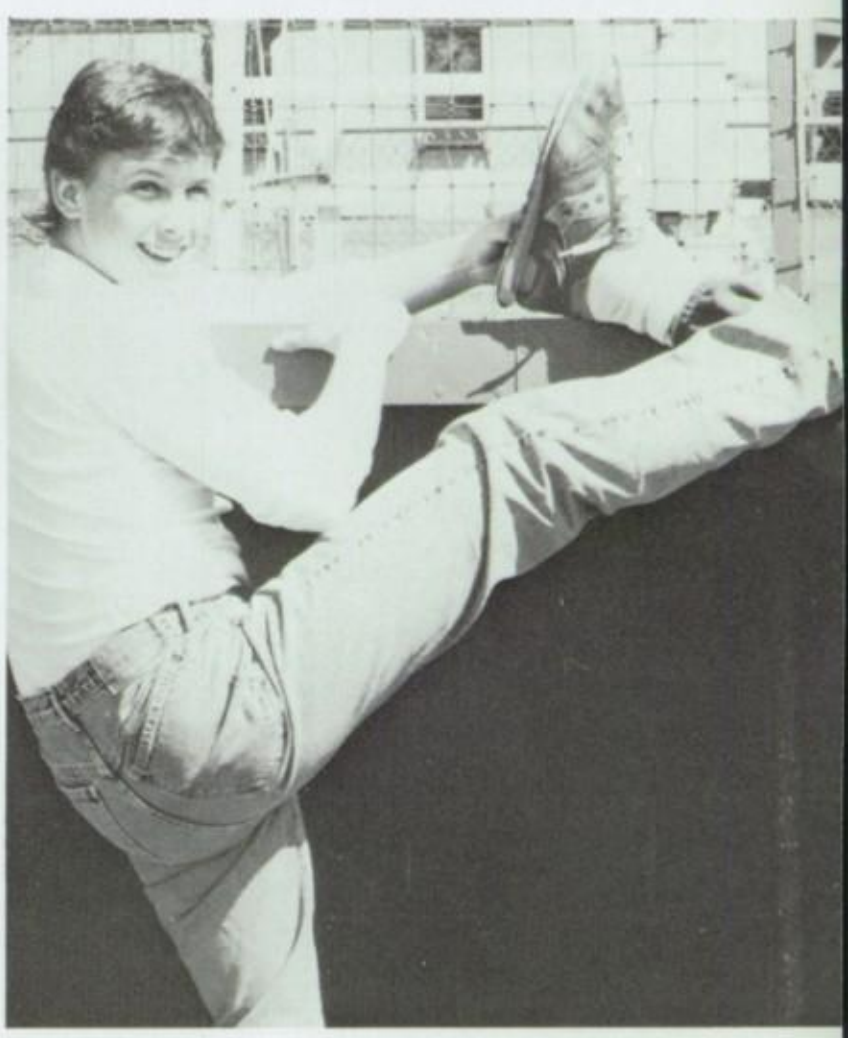
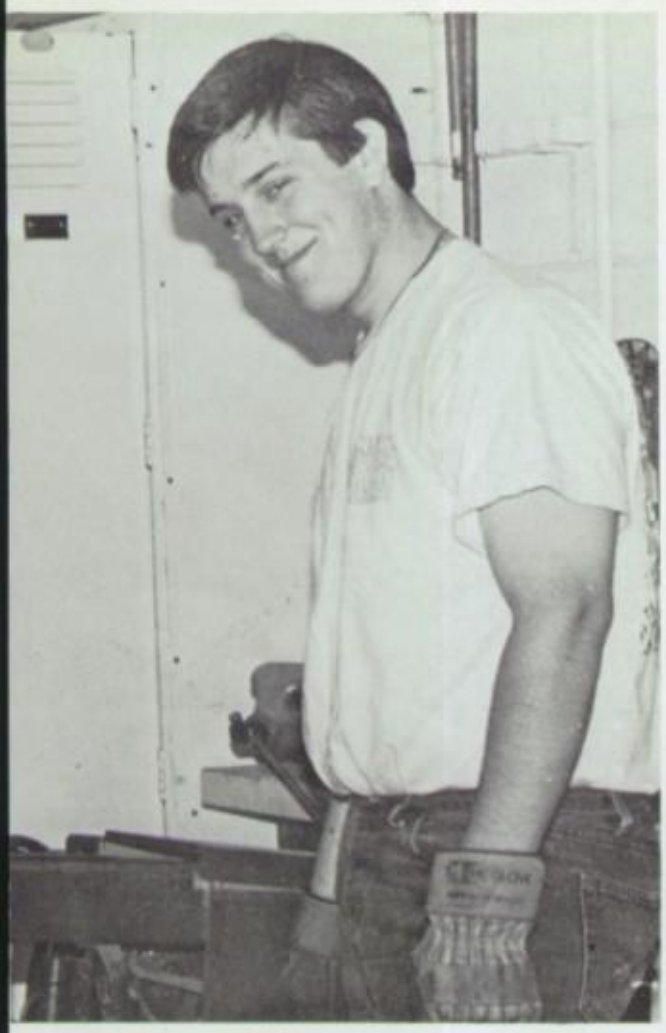
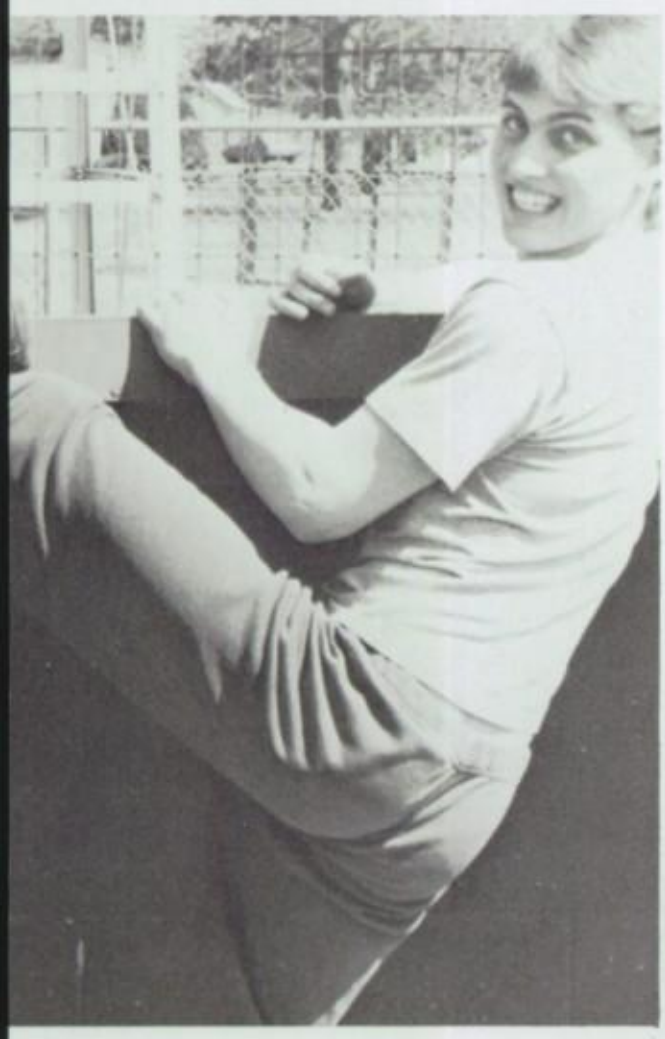
Athletics provide entertainment and challenge and fill the empty places as do other extracurricular activities such as drama, speech, FHA, and FFA. Music and art are also an important part of the puzzle with band, choir, stageband, and art classes adding to the picture.

All year long, new pieces are added, with graduation completing the picture. But just as the puzzle seems complete, the new alumni are gone; and a piece is missing. As the next school year begins, however, a new class steps in to take its place; and an entirely different picture is formed.







Each one of us is a piece of the puzzle, unique and vital to the completion of the picture.

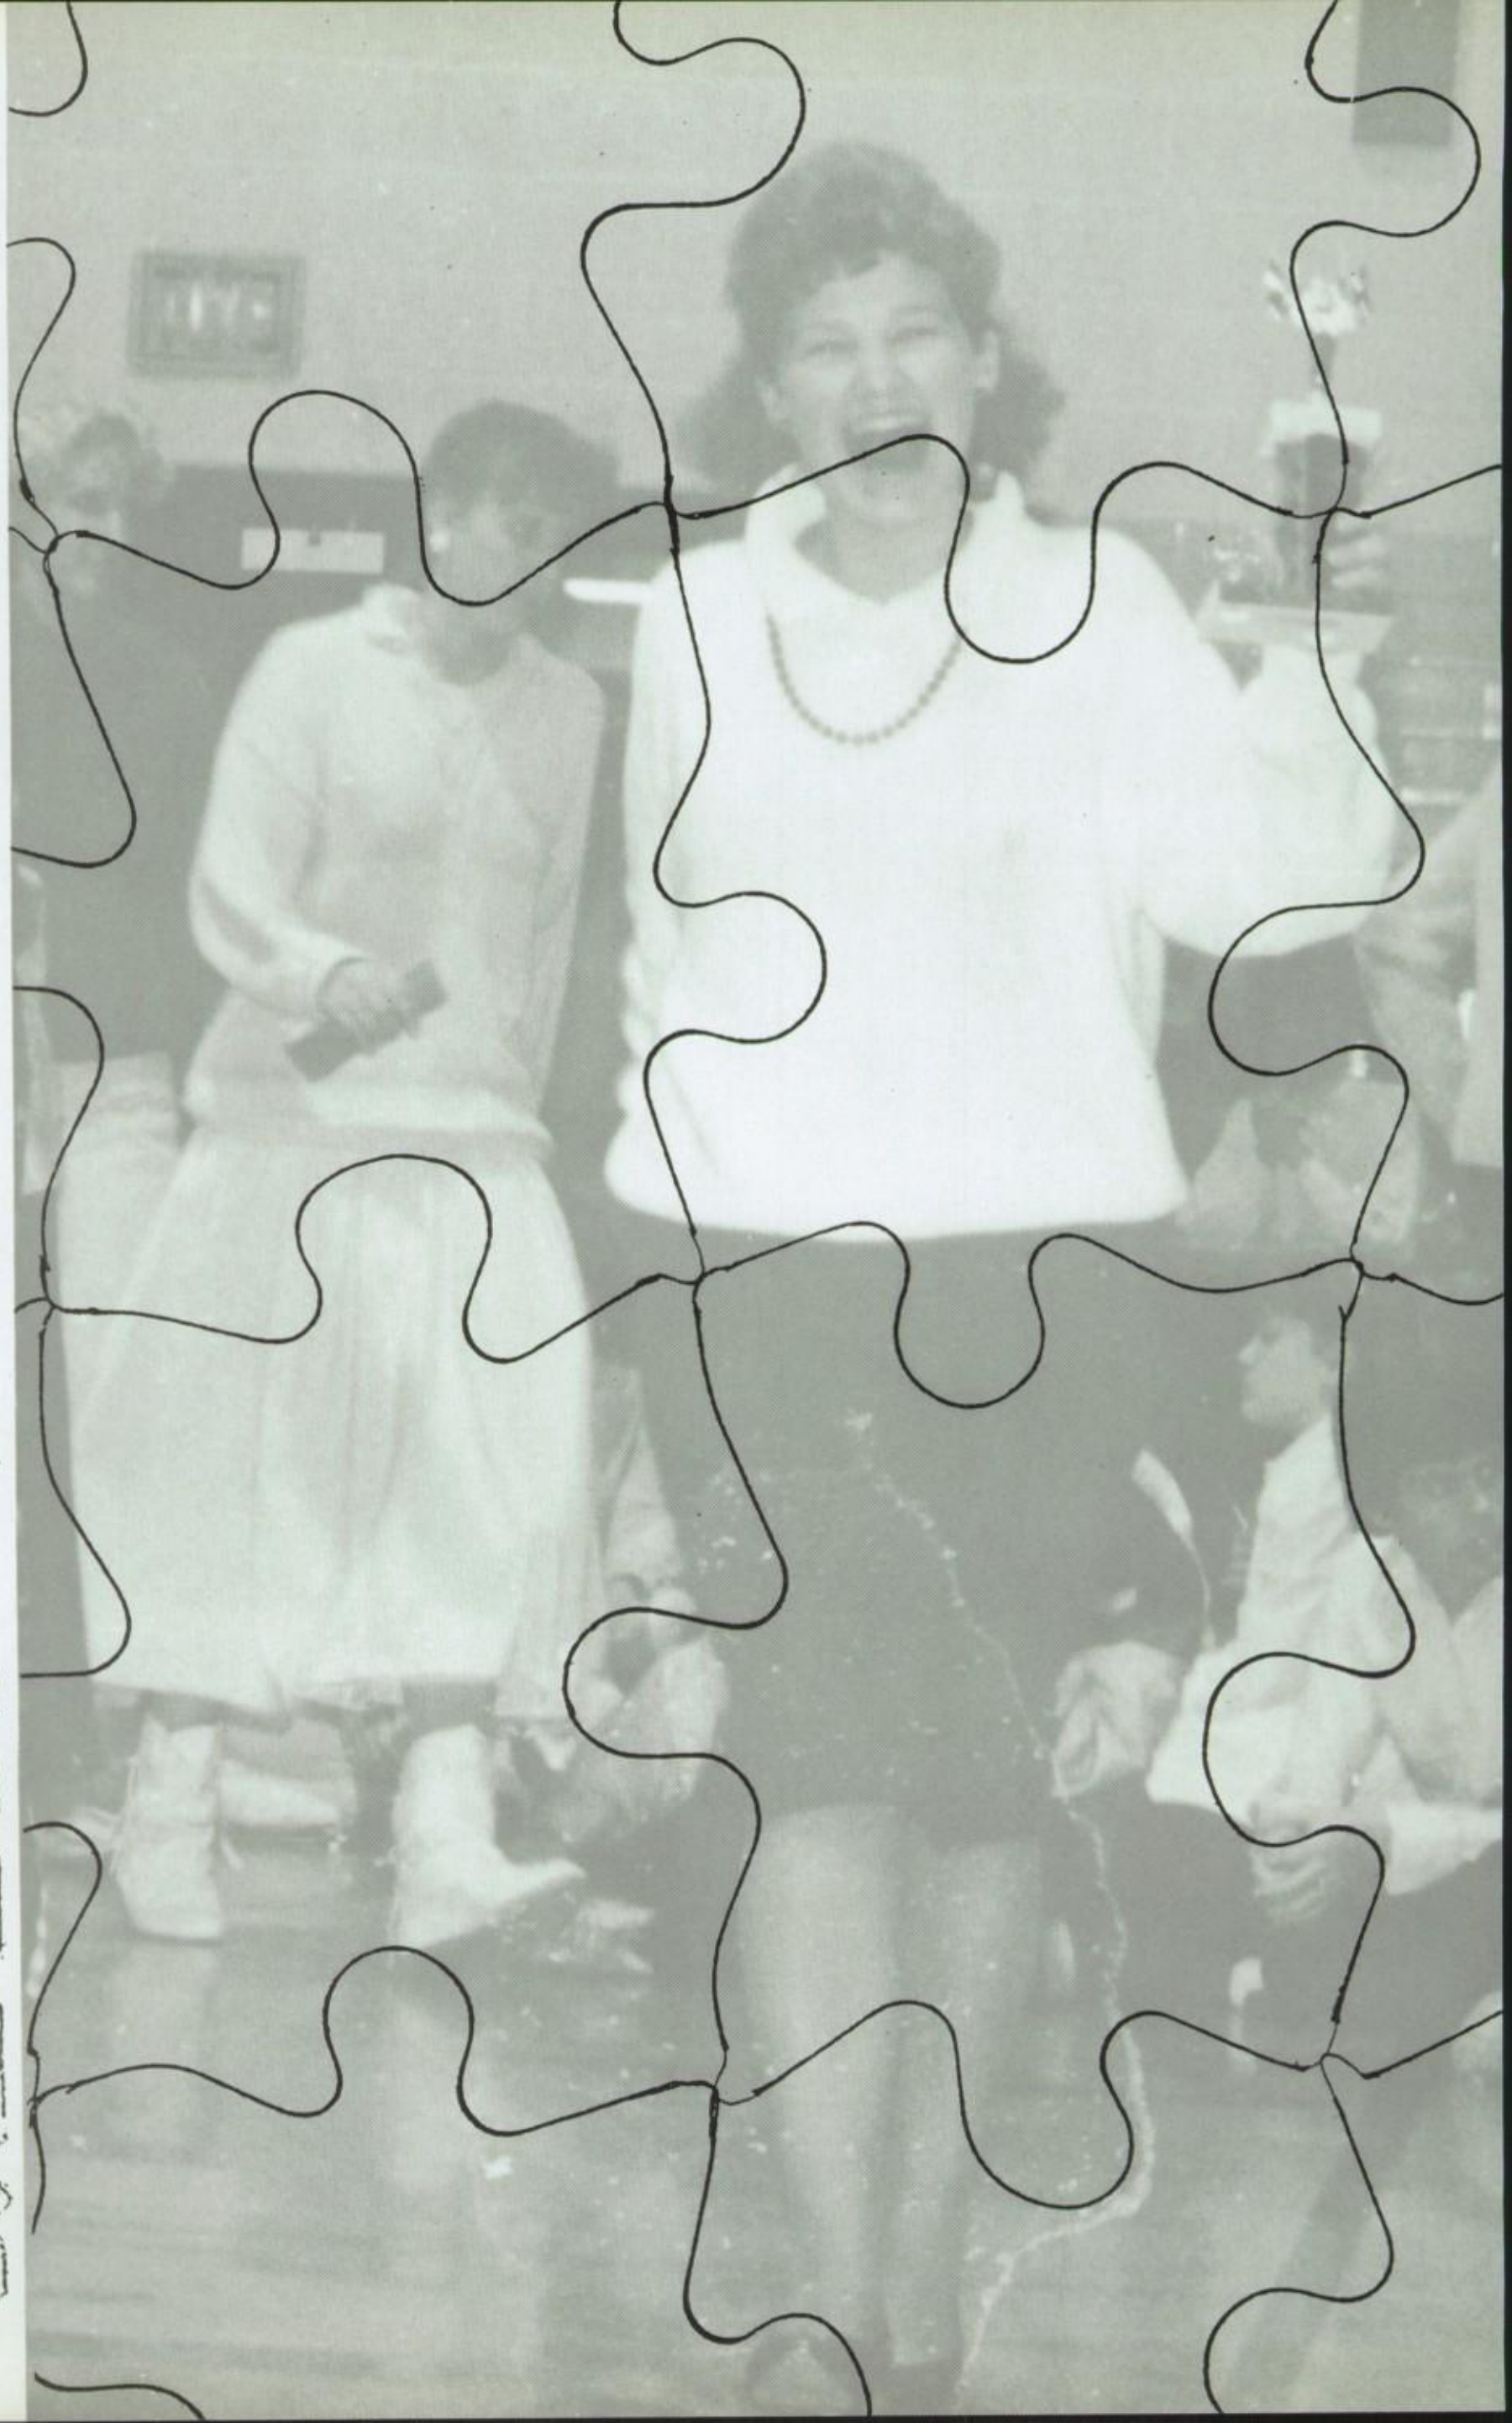
ORGANIZATION



COUNCIL WORKS ON PROJECTS

SNOWFEST, FLAGS, DAFFODILS

The 1986-1987 Student Council was led by President Dan O'Laughlin, Vice-President Rick Zellmann, Secretary Corinne Gransee, and Treasurer Jay Denny, under the direction of Paula Zabel. The Council was involved in many projects this year, including the purchase of flags for the classrooms and the gym; the organization of the Snowfest events, which included the crowning of Snow King Pat Daly and Snow Queen Lisa Witt; and a combined donation of $500 (with the aid of Mr. Perkins) to the Post Prom Party. The Student Council was also involved in other activities. They sold daffodils to raise money for the American Cancer Society and ran a computer dating service for Valentine's Day. The year ended with the sponsoring of the Salutatorian Scholarship of $100 and the creation of the Orville Heitkamp Natural Science Award in honor of Mr. Heitkamp's dedication to knowledge and teaching.

JHSC SETS THE PACE FOR FUN SCHOOL YEAR.

The Junior High Student Council is made up of eighteen elected members. They plan special activities for junior high students and do some community work. During various holiday times, several special events were organized, including a Halloween costume contest, Christmas movies, hall decorations, Spring Fling Days, with the traditional Slave Auction and Air Jam. They also did community service work, held five dances, donated to UNICEF, and collected money for toys for needy families. This year's Council was led by President Mike O'Laughlin, Vice President Dana Otto, Secretary Chris Anderson, and Treasurer Michelle Gransee.

FHAers PLACE 1ST AT STATE

This year was a busy one for the FHAers. They put on various fund raisers, one of which included a Junior High dance. They also competed at District, Regional, and State levels with Action Activity Events. Not only do people who compete attend these meetings but also delegates who vote for District, Regional, and State officers. People attending Regional competition were Margie McCue with a presentation on Crack and Kris Giesen with a presentation on Missing Children. Both girls took 3rd place bronze medals. Gold medal winners at Regions, who automatically advanced to State, were Jody Houle and Carol Schmidt with a presentation on Divorce; Megan Daly and Karla Fabel on Bulimia; Melanie and Melissa Wolf with Cashew Chicken; and the only senior-high student, Shari Jorisson, with Party Appetizers. The FHAers also brought home a Regional trophy.

At State competition the gold medalists competed again and did very well. Taking 2nd with silver medals were Megan Daly and Shari Jorisson. First place winners bringing home gold medals were Jody Houle, Carol Schmidt, and Melanie and Melissa Wolf. Chris Anderson and Jenny Savage were elected to set up the fund-raising booth, and Margie McCue was the voting delegate. The FHAers also held elections for their own offices. Those elected are as follows: Jody Houle, President; Carol Schmidt, Vice-President; Margie McCue, Secretary; Jenny Lange, Treasurer; Becky Breegemann, Senior High Rep; and Maria Plonski, Junior High Rep. This year's Most Outstanding FHAer award went to Jody Houle.

This past year the FFA was very successful. The year began with Operation Haylift, in which we sent 800 donated bales of hay to Hickory, South Carolina, for the drought stricken farms. Proficiency award winners this year were Brian Stier, Ag Mech.; Don Tiegs, Ag Processing; Ron Iverson, Horse; and Kevin Jeurissen, Beef. Kevin Jeurissen and Don Tiegs won Star District Farmer and Agribusinessmen, respectively. Don Tiegs also advanced to the State Competition. Tony Johnson, Ron Iverson, Kevin Jeurissen, Brian Stier, and Don Tiegs also received the State Degree, the highest award that can be obtained from the State. Ron Iverson and Kevin Jeurissen were also elected District 13 officers; and Kevin is also Region 7 President, which makes him a State Vice-President.

NATIONAL HONOR SOCIETY

Juniors and seniors who want to become members of the National Honor Society must maintain an 8.0 grade point average and submit a letter to Principal Lowell Hoffman for review in order to become inducted into the society. Besides academic performance, prospective members are judged on leadership, character, and service, both school and community. Members are re-evaluated academically each year. 1987 members were announced at the Awards Night ceremonies on May 27.

TIGER TOPICS UPDATE

Producing a high school newspaper involves many more hours than the average person realizes. For each page of the school newspaper that comes out, an approximate total of 8-9 hours of work go into that page from its beginning to its final printed form by the page editor and advisor.

Journalism students will say that the toughest part of preparing the page is coming up with fresh ideas for new stories that will appeal to a percentage of students to make it worthy of printing. Once the student decides on a story, information must be gathered and organized and written in story form.

This is the first year the students have reduced the size of paper from 8½" by 14" to 8½" by 10". This allowed them to print pink pages for Valentines Day, Green for St. Patrick's Day, and blue for the season of spring. This is also the students' first full year they have used the computer to type their articles, make corrections, justify margins, and print the final copies of their articles, which are then pasted up on a layout page. Dry transfer letters are used to make the headlines; captions are written for each picture; and the headline, story, picture, and caption may then be "pasted up" into an attractive layout. Pages are then photocopied and proofread for corrections. If there are no corrections, the photocopy of the page is placed on the scanner, and an electric eye cuts a stencil of the entire page. The stencil is then placed on the mimeograph machine, and 600 copies are run of each page. Journalism students then hand collate, staple, and distribute copies to the student body during a class period.

This year those students who participated in producing the TIGER TOPICS for two semesters accompanied their advisor, Carol Kruschke, to the Camelot Restaurant in Bloomington April 22 for an experience in fine dining. Those attending were Sarah Meger, Jill Morrison, Corry Retzer, and Mitch Thompson.

YEARBOOK STAFF

CREATES MEMORIES FOR TOMORROW

Supervising this year's 1986-1987 TIGERIAN was Ann Nelson, the new high school librarian and English teacher. The staff's goal this year was to improve the quality of the yearbook. We believed that the book should contain good memories for everyone, so we worked many hours to make the book exciting for its readers. This fall we took a survey of the senior high students, asking them what they wanted to see in their yearbook. This survey really helped us with planning and organizing the book. It is an example of how hard we worked to capture the year's events so in years to come we can all look back and enjoy the memories of our past.

SPEECH TEAM CAPTURES DISTRICT TITLE

The Belle Plaine speech team consisted of 30 junior and senior high school students and participated in ten contests during the season that began on February 14 and ended April 24, 1987. The team placed first at the District 13A Speech Competition team held at Montgomery on April 4. The top three speakers in each of the eleven events advanced to Regions. Eleven Belle Plaine students went on to the Region 4A contest in Winthrop on April 11. They were Mike Gaffney, Extemporous Speaking; Gretchen Koenig, Drama; Sheral Kahle , Poetry; Margaret Siegler, Discussion; Kris Giesen, Prose; Geri Devine, Drama; Joanne Boschee, Poetry; Beth Jones, Humorous; Julie Johnson, Great Speeches; Erik Einertson, Discussion; and Mike Skelley, Storytelling. Seven of these speakers advanced to the final round of competition. Sheral Kahle, Poetry, placed second and advanced to the state tournament.

The 1986-87 speech team was coached by Debra O'Malley and Patti Germschied. The entire team should be commended for a very successful season.

Sheral Kahle graciously accepts her award.

KAHLE GOES TO STATE

Sheral Kahle, a senior, competed in the 1987 Minnesota State High School League State Class A Speech Tournament conducted at Roseville Area High School on Friday, April 24. Kahle participated in the Poetry division that included sixteen entries from the eight regions of the state. The title of her presentation was "Womanslaughter" by Pat Parker. Kahle tied for seventh place and did not advance to the final round of competition. Three hundred and fifty-two students, representing over 150 schools, participated in the 1987 tournament. These young people were finalists in competition that started with over 11,000 participants in 384 schools.

Sheral accepts trophy.

Joanne Adelmann concentrates on giving her speech.

BAND HAS PRODUCTIVE YEAR!

The Concert Band is a membership made up of approximately 60 students from grades nine through twelve plus three eighth graders. The band plays for such sports as football, volleyball, wrestling, girls' basketball, boys' basketball, and pepfests. The band played for approximately 28 of these events this year. There were three major concerts this year held in December, April, and the Pops Concert in May. They also played for Memorial Day services and graduation. They marched in the Homecoming parade and halftime, the St. Patrick's Day Parade in March, and for Barbeque Days in July. District 13 Solo and Ensemble Contests took place in February, and over eighty percent of the solos and ensembles received superior ratings. The band received the Top Superior rating in the District 13 Large Group Contest in May. The Concert Band was also involved in a clinic/ rehearsal session with the St. John's University Wind Ensemble in March and had the opportunity to hear the St. John's Ensemble perform a concert here at Belle Plaine High School. Nine students from the Concert Band were selected to participate in the District 13 Honor Band, which was held in Waterville. In all, it was a busy and very productive year for the Concert Band with many fine accomplishments.

EXCITING YEAR FOR FLIGHT, INC.

The Belle Plaine Stage Band, better known as Flight Inc., had another busy and exciting year. Besides the numerous concerts they perform each year, Flight normally goes on a trip to attend a jazz festival in the spring. This year they went to Sioux Falls, South Dakota, and participated in the Upper Great Plains Jazz Festival at Augustana College. Against some stiff competition, Flight took second in the Class A bracket. On the way home the band played in the small town of Bellview, Minnesota. Flight also received superior ratings in both the district and regional ensemble contests. The regional contest was interesting because it was held the morning after Prom. Even though the band members were very tired, they managed to play well. This is the last year that Stage Band will be offered as a class because of a decline in the number of players. The last year of Stage Band was very successful and showed that if a few people work very hard, anything is possible.

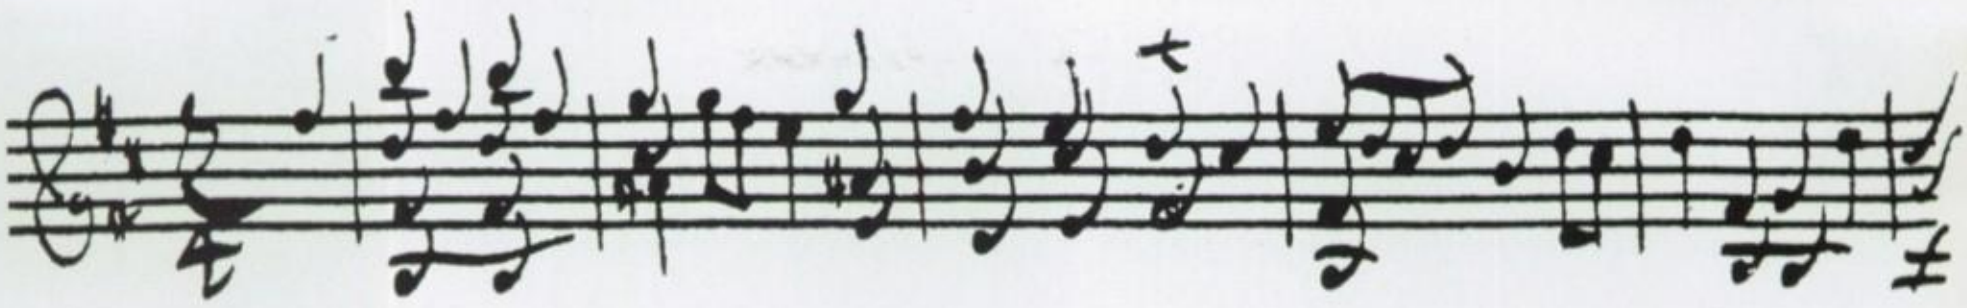
CHOIR RECEIVES SUPERIOR RATINGS



Paula Zabel, new choir director for the 1986-1987 year, led the twenty-one all-girl choir through a year of fun and achievement. The choir presented three concerts throughout the year. The Winter Concert featured Christmas music, the Spring Concert featured American folk music, and the Pops Concert featured 50's music. The Pops Concert was a joint effort of the band and choir to raise funds for the band.

Contests were a big part of the choir's year, also. Deb Zabel, Corrine Gransee, Lynette Liebhard, and Ali Witt were selected to attend the District Honor Choir at Waterville/Elysian School in January. The District Solo and Ensembles Contest, held at Gustavus Adolphus, brought superior solo ratings for Corrine Gransee, Peg Hennen, and Sheral Kahle. Ensemble members Jenny Kerkow, Ali Witt, Lynette Liebhard, Peggy Hennen, and Jane Raleigh also received a superior rating. The choir traveled next to the Large Group Contest, held also at Gustavus, and received a superior rating for their presentation of "Three Mountain Ballads." To top off the year, Sheral Kahle and Corrine Gransee went on the Regional and State Solo and Ensemble Contest to receive superior ratings.

PHOTOS MAKE THE YEARBOOK

The school photographers have to be the most overworked students in school. Ha! Ha! They must be because it seems there is always some almost impossible deadline, either for the Yearbook or TIGER TOPICS, that has to be done right away! In spite of their busy schedule, they have found time to roam the halls; get yelled at by the librarian; and answer the question, "Geez, where have you been?" They always seem to be able to come up with the best excuses. This is the last year the phtographers will be under the supervision of Mr. Heitkamp. He will be greatly missed by all of us. Besides, he is the only one who could ever put up with us year after year.

BARTHOLOW RETIRES

AFTER 20 YEARS OF SERVICE

Dr. John Bartholow, Superintendent of Belle Plaine Schools, will retire at the end of the 1986-1987 school year after 20 years of service to the District.

Dr. Bartholow, an Iowa native, graduated from Iowa State Teachers' College and got his Masters at Columbia. He went on for his Doctorate at the University of Wyoming. Prior to coming to Belle Plaine, he taught in both Iowa and Illinois, was Superintendent in Iowa for three years, and was Superintendent at both Ruthton and Gray Eagle, Minnesota. Increased computer use, with labs in each building, and more teacher/pupil involvement were the two things that came to mind when Dr. Bartholow was asked about changes he has observed in his twenty years at Belle Plaine. When asked for any personal comments about Belle Plaine, he was quick to state that the students at Belle Plaine have been decent and cooperative and that he has been impressed with the fact that there has been very little vandalism in Belle Plaine in comparison to other schools. He went on to say that he has enjoyed talking to and getting to know the students. Aside from his regular duties as Superintendent, Dr. Bartholow has been a familiar figure at extra-curricular activities. From football and volleyball games to concerts and plays, he has been seen lending his support- support that has meant a great deal to both teachers and students alike.

A fond farewell and a big "Thank you!" are extended to a dedicated administrator who has served the students, teachers, and parents of District 716 well!

HEITKAMP RETIRES

After 31 years at Belle Plaine High School, Orville Heitkamp will retire from teaching. He is second in seniority only to Jerry Miller in his long-standing educational career. Mr. Heitkamp attended various grade schools in this area and graduated from Belle Plaine in 1948. He then attended St. Thomas, University of Minnesota, and Mankato State to further his education. In 1956 he began his teaching in Belle Plaine. Since then, he has taught such science classes as Biology/Ecology, Chemistry, and Physics and has also instructed Self-Directed Research (SDR). This past year his SDR students have been involved in photography, woodcarving, electronics, and fruit-fly genetics. When asked how teaching has changed throughout the years, Mr. Heitkamp said that kids today are harder to teach but that he still enjoys teaching kids who want to learn. Mr. Heitkamp has been a valuable asset to this school and will be greatly missed by all.

HOMECOMING 1986

SCHOOL SPIRIT SOARS

Monday was Dress-up day and the search for the spirit stick began. In the coronation that evening, Courtney Hoelz and Shawn Buesgens, the 1985 royalty, crowned Ann Siegle and Matt Lenz the 1986 Homecoming Queen and King. Tuesday was Punk day and the volleyball competition was held. Sweats/Pajama day was Wednesday along with Almost Anything Goes. Everyone looked forward to Thursday's Nerd day to see what atrocious ties and shirts Mr. Sauter would be selling at his garage sale in the concession stand. Friday's Red/White day was altered slightly when the pepfest was held at the football field. Balloons were handed out along the parade route and were later released while the band played the school song. The Tigers lost a very close game to the Montgomery Redbirds by a score of 13-14. After the exciting but disappointing game, students attended a dance at which the Great American Music Sound and Light Show provided the music.

NO, IT DIDN'T BLOW

FEB 26TH, 1987

Twas the day before the
weekend
and all through the school
not a student was studying
and no one was blue.
The teachers were warned
by the principal with care,
and O'Malley told everyone
that "a bomb might be
there!"
The police brought the dogs
to look all around.
Then the firemen were called
in
because no bomb could be
found.
The bomb was to go off
at nine-fifteen, and we could
honestly say, "This time we're
clean!"
This is a first for the school,
of Belle Plaine,
but none of the students
want to complain.
Thank God it didn't happen
to the class of eighty-seven.
Although everyone knows we
would
have gone straight to
heaven.
It's nine-twenty now and the
school still stands.
So whoever planted the
bomb fouled
up with their plans.
Next time you call to get
an hour out of the way,
think about it first and
get us out for the day.

The cast of *Quilters* participated in several activities from which they learned about pioneer life. A trip was taken to Murphy's Landing where cast members toured the homes and observed the style of dress worn at that time. The cast also won first prize of $300 for their Sunbonnet Sue which they entered in Emma Krumbee's Scarecrow Contest. A weekend trip was taken to Hackensack, MN. in October to experience life without modern conveniences. The students cooked their own meals and used an outhouse while they rehearsed the play. Each cast member also wrote several stories about their character in order to develop a clearer understanding of the hardships of their life. The many extras that were added to this year's musical rehearsal made it a very memorable experience.

QUILTIN' AND DREAMIN'

On November 14 and 15, 1986, the pioneer spirit was reborn at BPHS. The musical *Quilters* tells the story of pioneers moving west. It is told through the eyes of Sarah McKendree Bonham, who is making her last quilt. She calls it her Legacy Quilt, and every block tells the story of one aspect of her life. Sarah and her six daughters represent all pioneer women and the stories they tell of their lives teach us about the hardships they endure and the simple joys they experience. The Rocky Road patch symbolizes the rough journey west by covered wagon, while the Dugout scene portrays the danger of a blizzard on the prairie. From the cradle to the grave, *Quilters* tells of miscarriages, childbirth, baptism, school days, quilting bees, courting, marriage, praire fires, and death. Throughout the joys and sorrows, the women quilt. Their quilts serve as a diary, and with each block they record the details of their lives. Sarah's Legacy Quilt is her final masterpiece; and although she dies before she is able to complete it, her daughters finish it for her. This heirloom serves to remind future generations of their heritage. The performance of *Quilters* is a lasting tribute to the women who settled this country.

"We today should consider ourselves lucky because we have so many more conveniences than the pioneers. They had to make do with what they had."

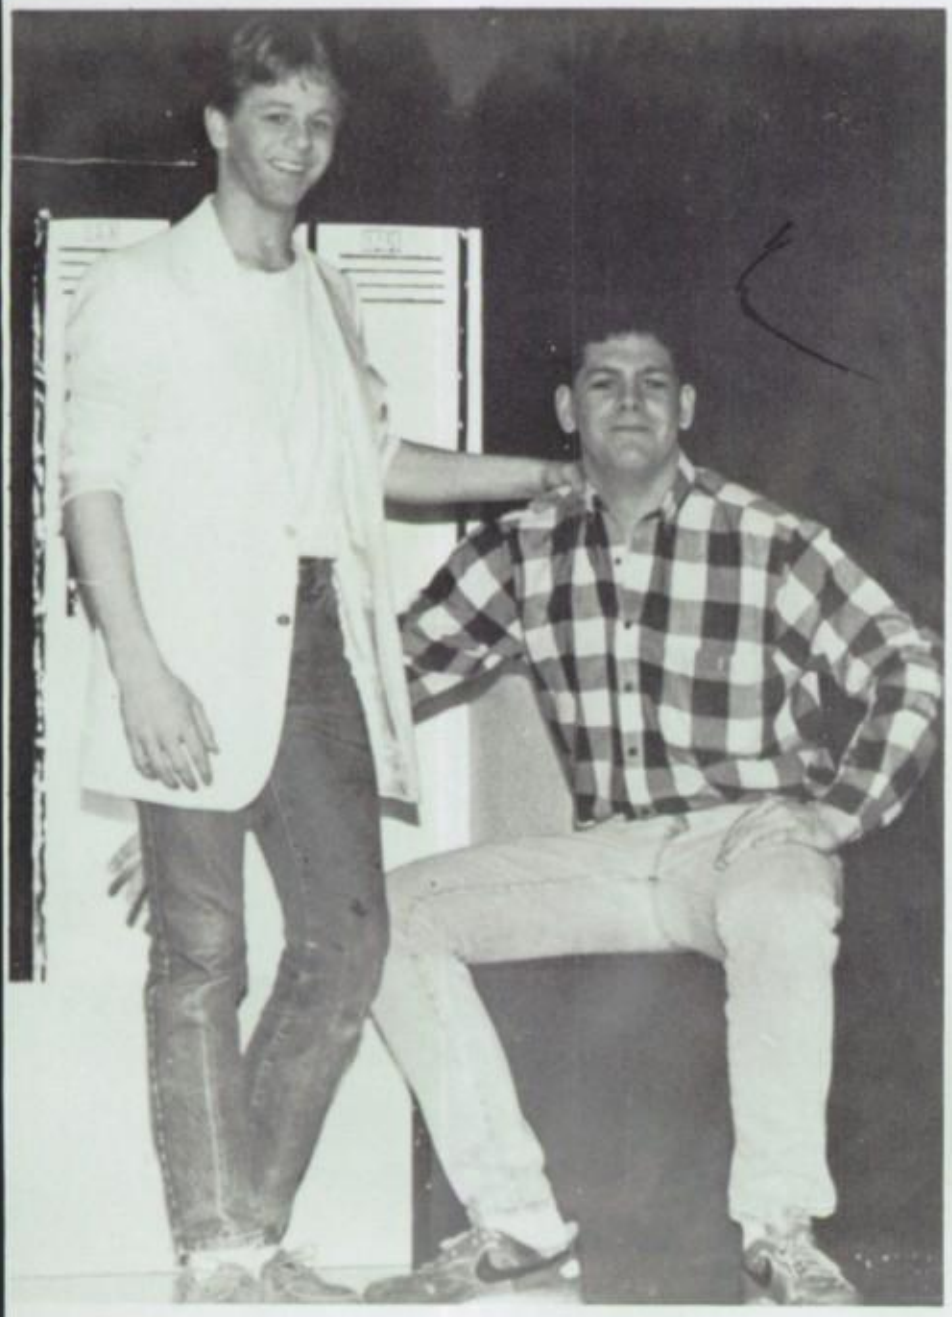
ONE-ACT PLAY



This year's one-act play, "Breaking Up Is Hard To Do", was performed at the District competition in January. The play is a comedy about the human race's biggest problem . . . love. The story revolves around three couples and one narrator who give their ideas on love. They share arguments, happiness, and many laughs with their audience. Although the cast and crew didn't advance to the Regional competition, they shared much hard work, many fun times, and a lot of special memories.

SNOWFEST LACKS SNOW

Despite the fact that there really was no snow to speak of, the Senior High Student Council went ahead with its Snowfest plans and conducted an enjoyable week of unusual dress and creative activities. Hawaiian, Ski and Sweats, and Red and White Days seemed to be the most popular, as students displayed their flair (or lack of it?) for fashion. Hollywood Squares, starring the teachers; Anything Goes; Tug of War; and volleyball competition, with the senior class as victors over the faculty, kept both the students and faculty busy. All the activities were reigned over by King Pat Daly and Queen Lisa Mellgren.

AUCTION-AIR JAM-DANCE

Below: FIRST PLACE AIR JAM WINNERS were the **Bahama Mamas,** including **(L to R)** Angela Rafferty, Amy Higdon, Karen Boschee, and Michelle Gransee.

The Junior High Student Council again held Spring Fling Days from Wednesday, March 25th through Friday, March 27th. On Wednesday, the students participated in the slave auction and were able to dress up in their p.j.'s and sweats. On Thursday there was a volleyball game which was won by the Freshmen, with the Eighth Graders taking second place. Students also dressed up in their favorite sports' outfits. On Friday a preview of the Air Jam was held, and many students dressed Hawaiian. On all three days doughnuts were sold during lunch hour, and trivia questions and guessing games took place for prizes. As a grand finale, the Junior High Student Council held a dance on Friday night, which included the Air Jam.

The annual slave auction took place on the first day of Spring Fling. Here as Zac McCall auctions off Brian Gau, Mrs. Bruder works hard as the Student Council supervisor, keeping track of all of the official "sales' records." THE POPS CONCERT
THAT'S . . . SHOW BIZ! . . .

The Belle Plaine 3rd Annual Pops Concert was held in the senior high gym on May 19th and May 21st. The presentation began with the concert band playing songs from the 50's and 60's such as "Little old Lady" and "Barbara Ann." The band then took a break while the audience was entertained by Cathy Schwartz and Carrie Townsend's tap dance. Following the dancing, a fashion show was presented where the Home Economic's students wore the clothes they had made themselves. The choir then put on a stunning show where they danced and sang tunes such as "We Go Together" and "Boogie Woogie Bugle Boy." During the intermission, many people looked at the wood work Mr. Hawkins' class had made and the art work, some of which had gone to state and received ribbons in areas of poetry, masks, dot drawings, scratch boards, and still lifes. The Pops Concert, which was used as a fund raiser for band and choir, was again a huge success.

'TIL THE CLOCK STRIKES MIDNIGHT

The planning for prom began last fall when the juniors surpassed the old school record by selling over $10,000 worth of magazines subscriptions. R.G. Hofmann, the junior class advisor, gave new meaning to the word "fashion" as he graciously donated his favorite tie for the magazine event. Each day a chunk of his tie was clipped away as the amount of magazine sales rose.

Prom goers were released from school at 2:10 if they were lucky enough to have a parent call in for them. The evening began at Hazeltine Country Club in Chaska, with pictures taken between 6:00 and 6:45. The grand march began at 7:00 and was followed by dinner. The meal consisted of filet mignon, potatoes, salad, and ice cream. Toasts were made and food was thrown, but all in all, everyone behaved quite well.

Following the dinner, the junior officers, Pat Daly and Susie Bristlin, presented the seniors with a warm and humorous welcome. The guest speaker was Mr. Mike Lutz, who praised the juniors for their outstanding magazine sales and all their hard work. "Perhaps Love" was then sung beautifully by Carol Hannon-Orr. The honorary guest speaker for the evening was the former High School Principal, Mr. Rich Clymer. A tribute to the class of 1987 in the form of a slide show presentation followed, which consisted of slides of the seniors from grade school through high school. After the presentation, Jenny Witt and Tony Hartman serenaded everyone with the love song "The Search is Over." After the program was over, the prom goers waited patiently, socializing while the ever-popular Johnny Holm Band was setting up to play. The band, along with volunteers from the audience, entertained until 12:30. At this time most of the couples headed to the High School for the Post Prom Party.

The party, which started at 1:00 and lasted until 6:30, was put on by the parents and people from the community. Many wonderful prizes were given away either by drawings held throughout the night or at the auction that took place once all the games were closed. Such prizes included a car, stereo, T.V.'s, camping equipment, boom boxes, and much more. All in all, Prom 1987 was a big success, thanks to the Juniors.

PROM

TO THE SENIORS

Another year goes passing by
Another Prom is here
To some this brings a joyous smile
To others, brings a tear.
For four years you have tread a path
From dawn to setting sun
But now the path gets steeper
And the climb is just begun.
We're very glad to know you
We'll miss you when you've gone
And to the class of '87
We dedicate our Prom.

AWARDS NIGHT 1987

Awards Night 1987 began with a welcome from retiring Superintendent Dr. Bartholow. Club awards were presented first with recognition given in Yearbook, Student Council, FHA, and Home Economics. Awards in Fine Arts, including Band, Choir, Speech, and Drama, followed. Athletic awards were then presented, including the winners of the James Bahr and Pat Fogarty Scholarships and the Elizabeth Albrecht Award. Entertainment was provided by members of the "Quilters" cast and vocalists Corinne Gransee and Jenny Witt and Jim Buesgens. The evening concluded with the presentation of the Service and Special Awards.

Mr. Hoffman presents the Academic All-Conference awards to Sally Halbmaier and Jay Denny.

ARTEMIS-HOUSE

CHEERLEADERS KEEP UP SCHOOL SPIRIT!

The 1986-87 Cheerleading Squad had an excellent season. They helped to cheer our teams onto winning seasons and provided the support to make that extra effort.

Cheerleaders do more than just cheer and inspire the crowd. They make "Pep Pal" signs for each sports event for all senior high athletes and make signs to hang up in the gym. For Parent's Night, they have a special dance for the athletes and their parents. Over all, cheerleaders are the people who keep up the team's and fans' morale.

This year's cheerleading squad had 26 members and three mascots. The advisor was Suzanne Kahle. We thank you for all of your effort and support!

TIGERS REBUILD UNDER COACH HILTZ

CONFIDENCE AND DETERMINATION PAY OFF

The Tiger gridders started the season with fresh hopes and faith in the new coach, Jeff Hiltz. No matter what the outcome of the game, this new confidence never faded. The season started with an 18-0 win over Janesville. Following a loss to Mankato Loyola, the Tigers traveled to Le Sueur to fall the defending MRC champs. The score was tied when the Giants punted and with only seconds remaining, set up the Tigers' winning drive. After the Le Sueur upset, the gridders dropped four straight games. The Tigers came within one yard of beating the conference leaders, Le Center, but lost 0-6. Last minute heroics were once again the order of the day when the Tigers scored in the final three minutes of the Norwood game. The score was 6-7 in favor of Norwood when the Tigers went for a two-point conversion. The pass into the end zone was complete, and Belle Plaine came away with an exciting 8-7 victory.

A WINNING COMBINATION

TENNIS IS A SMASH HIT

The girls' tennis team had a taste of some good competition in the district tournament and are hungry for more. Although the team will be losing three seniors off the squad there will be four returning letterwinners. The Tigers completed their conference schedule with a 4-2 record and a second place finish. Overall, the Tigers own a 10-7 record. Seniors, Sara Miller, Sally Halbmaier, and Shelly Meger led their team to a successful season with their talent and leadership skills. Sally Halbmaier and Shelly Meger earned all-conference honors and Junior Shannon Morrison was awarded honorable mention. In post season play the Tigers were eliminated by LeSueur in the team competition, but individually Sara Miller won second place in the District 13 singles tournament and placed fourth in the Region 4A tournament. The Tigers had a new coach this year, Miss Karen Scott. With much tennis experience behind her, Miss Scott helped the team improve their basic skills and strategy. With coaching like this, the Tiger tennis team will be back for more winning seasons.

B-SQUAD VOLLEYBALL GOES UNDEFEATED

The Tigers had an excellent season as the B-team came away with an undefeated record. With hard work, determination, and lots of practice, they earned a conference record of 15-0 and an overall record of 19-0. The Tigers faced some very tough teams; and if it hadn't been for parent, fan, and team support, they might have ended the season with several losses. Perhaps the toughest experience this season for the Tigers was winning the Montgomery Invitational Tournament. They advanced quickly to the championship game where they were matched against a very skilled Kenyon team. The Tigers struggled in each game of the match but came back to win 2-1 and capture the trophy.

This year's team was coached by Leslie Boyer-Dwyer; and with her leadership, the B-team had a very memorable season.

GIRLS PLACE SECOND AT REGIONS

It was another season to remember as the Tiger volleyball team took a shot at going to State. Unlike the year before, however, the luck of the draw wasn't with the Tigers as Cosmos defeated them in the Region 4A Championship match. The season began with a six-hour day, five-day week practice that brought the girls to an undefeated conference record, a 26-3 over-all record, and second place in Region Finals. In their first match at Regions, the Tigers faced the highly favored Gaylord Spartans. The Tigers came out quickly in the first game to win, but struggled in the second to lose a close one. With crowd support and sheer willpower, the Tigers beat the Spartans. In the match for Region championship, the Tigers worked hard but came up short against a highly skilled and powerful Cosmos team. This year's support from the parents, school and community, as well as the "K-Korner," helped the girls have a very successful season. Julie Halquist senior setter; Corinne Gransee, junior digger; and Deb Zabel, junior hitter were named All-Conference. Robyn Denny, junior hitter, received Honorable Mention. Coach Brinton-Hawkins was named Minnesota Coach of the Year for the second consecutive season!

BOYS PLACE 3RD IN CONFERENCE

The Tiger boys' basketball team had their best season in four years as they came back from a 1-3 start to finish in the conference with a 13-7 over-all record. One of the year's highlights was the Tiger victory over Gaylord to win the Gaylord Holiday Tourney. This was the first time Belle Plaine has ever won the tourney. The Tigers were especially tough at home as they went 7-2 in Belle Plaine. The one disappointment for the team was the opening-round loss to Faribault B.A. in the district. All Conference honor went to Matt "Zoom" Lenz and Scott Schmidt. The Tigers graduate four starters and four other letter winners. Mark Johnson is the only returning starter for the team next year, but a good b-squad plus the other returning players should fill in the holes and provide some exciting basketball next year.

GIRLS BASKETBALL

GOOD SEASON DESPITE CHANGES

The 1986-87 Girls' Basketball Team went through some changes this year as Doug Anderson took over as head coach and only three letter winners returned. Participation was good as 41 girls in grades nine through twelve began the season. Also new this year were B-squad coach, Karen Scott, and ninth grade coach, Linda Madson. The Varsity finished with a 4-10 conference record and 8-11 overall in the regular season. Highlights were capturing the Le Center Holiday Tournament with close games with Cleveland 41-38 and the thrilling come from behind victory over Waterville in the Championship game 51-50. Defeating Montgomery at home in January 55-50 was also very satisfying. The Tigers were seeded seventh in the Districts. The girls beat Le Center 47-27 and lost a hard fought game to eventual District Champion Montgomery 41-37. Julie Halquist was selected All Conference and, Sally Halbmaier was chosen Honorable Mention.

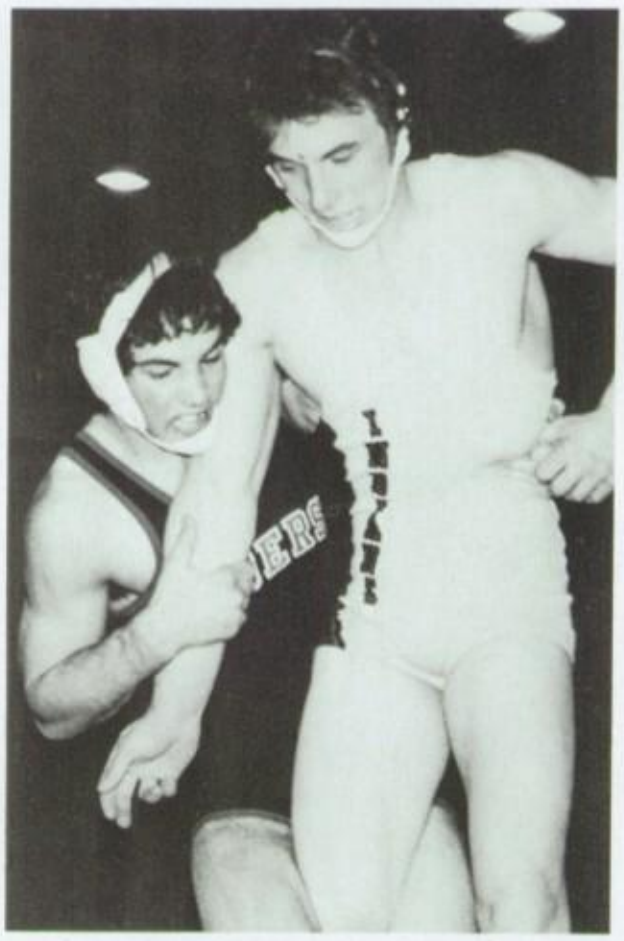
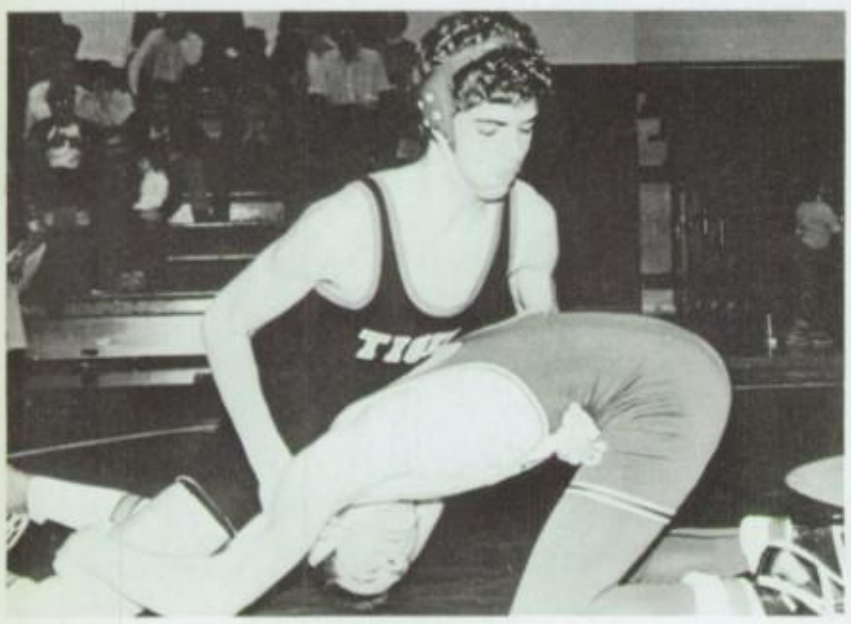
MAT MEN ATTACK!!

The Belle Plaine wrestlers had a very good season this year with a winning record of 9-5. They used their skill, determination, and technique to dominate their opponents on the mat. Even with tough competition, the team placed first at the Brownton and Kenyon tournaments. At the Norwood tournament, the team came home with second place trophies. Regions were held at Norwood, and a large crowd went to cheer on the Tigers. The eight wrestlers who advanced were Jason Piche (4th), Emmett Fogarty, Jim Buesgens (2nd), Jeff Bahr, Andy Fogarty (3rd), Pat Daly, John Bergs, and Brian Stier (4th). The All Conference Award was given to Jason Piche at 105, Jim Buesgens at 138, Jeff Bahr at 145, Andy Fogarty at 155, Brian Stier at heavy weight; and Honorable Mention went to Paul Murphy.



The team finished the season with a 5-2 conference record and a 512 point total, while the opponents totaled 293 points. The season came to an end with many of the wrestlers merely a few points from state competition, but the only wrestler who actually went on to state was Jim Buesgens. Congratulations on your second place, Jim!

Left Pat struggles hard against a worthy opponent. **Middle left:** Emmett shows skill while making his opponent suffer. **Lower left:** Breathe, Tony!



It takes a little more to make a champion!!

"My goal when I started high school wrestling was to finish higher than any other B.P. wrestler, and I am pleased I accomplished my goal," said Jim Buesgens, who placed second at the State Wrestling Tournament, thus achieving his goal. This was his third time attending the state matches, which were held at the St. Paul Civic Center. In his first match, Jim beat an undefeated wrestler 2-1. Secondly, Jim defeated his opponent 4-2; and in his semi-final match, his competitior was injured, thereby advancing Jim to the finals. In the final match, Jim led the first two periods 4-1 but lost 6-5 in the last period.

Andy adds another win to his 26-2 record.

TIGERS TAKE 3RD IN CONFERENCE

The Tiger Softball Team had one of its best seasons ever with 10 wins and 6 losses and its best Conference finish with third place. The Tigers, who came off a disappointing season last year, went into Districts in 5th place. They defeated LeSueur and advanced to face Montgomery, the number one team. The Tigers played well, but the Montgomery Redbirds were able to pull ahead and stay ahead, defeating the Tigers 11-5. The team will lose three key players this year but is looking forward to another successful season next year.

GIRLS' TRACK HAS GOOD SEASON

The 1987 Girls' Track team enjoyed a successful season with the help of new coaches, Leslie Boyer-Dwyer and Karen Scott.
The season began early in March and ended late in May. The team participated in nine regular season meets, four of which they won. They also took sixth place at the Minnesota River Conference Track Meet and placed fifth at the District 13A Track Meet.

Three team members advanced to the Region 4A track meet, including Jenny Klehr, 400m open; Missy Jacobs, long jump and high jump; and Brenda Bessel, 100m open. They had to place third or better in their events to advance from the District.
Approximately thirty-five girls participated in track this year. Letter winners include seniors Brenda Bessel, Jodi Bessel, Tammy Fahey, and Ann Siegle; Sophomores Wendy Behnke, Lisa Bessel, Dawn Haedike, Missy Jacobs, Deanna Koepp, Michelle Mahoney, and Wendy Wolff; Freshmen Jenny Klehr, Amy Meyenberg, and Tara Mueller; and Eighth Graders Angela Rafferty and Monica Wagener. This year's Most Valubable Player was Jenny Klehr.

G' DAY FROM WESTERN AUSTRALIA

o any Australian kid, coming to the United States is one of the most xciting prospects imaginable. Even for one week, let alone a whole year. Vell, I'm here, and it's an exciting prospect to know that I still have over even months to go! When I first heard that my destination was Belle Plaine, Minnesota, I ventured to look it up in the atlas. I had heard of Minnesota and ound that all right, but finding Belle Plaine in the atlas was a tougher job. eing the naive traveler that I was, I spelled Belle Plaine as Bell Plain and couldn't find it anywhere. My first reaction was, "Cripes, is this place so small hat it's not even on the map?" Anyway, I made it here and I have truly had nly wonderful experiences since my arrival.

Ve "foreigners," as we are jokingly called, are often asked, "Isn't it hard tting into a new environment-a new way of life?" Sure it is, but I imagine it just as hard for you "natives" of Belle Plaine High School to make room for ne.

uring my stay so far, I've learned the ropes of cheerleading an hour and a alf before a Regional tournament, I've gone through the horrors of dissect- g sharks, learned all the seniors' bad habits quite easily, and managed to et through the coldest winter I've ever experienced. (Yes, I know it was a ild one!) I think the quickest lesson I learned, though, was what slang ords to use where and when and what slang words never to use. Mr. Viley graciously assisted me in that area-of words *not* to use that is.

Quite plainly, I have enjoyed the antics of all of you as much as some of you ave enjoyed mine. I had the greatest delight in explaining what vegemite as (Jenny Witt), speaking Aboriginal and giving back the America's Cup. he thing I am most proud of, however, is how the class of 1987 caught on o well to the English accent; shame we couldn't get the Australian one ght guys!! The staff have a way to go yet, before they could get away nnoticed in Australia. As for the Seniors this year ... we'll see after De- ember 1987! Good luck to the Seniors who accepted me so readily last ear and best of luck to the staff and the class of '88 who must put up with ne for a while longer!

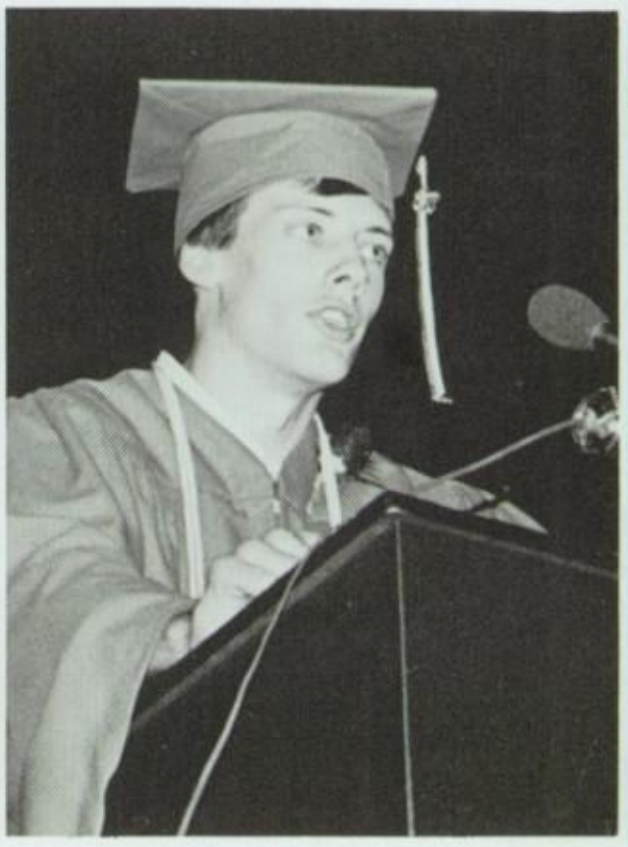
SENIORS MEET THEIR GOAL: GRADUATION

Sunday, May 31, was the Class of 1987's first day of the rest of their lives. Seventy-five students were presented their diplomas, awards, and scholarships. Jim Buesgans was honored as Valedictorian and Jay Denny was honored as Salutatorian. Andy Fogarty gave the speech on the Motto, Joanne Boschee gave the honor speech, and Jay Denny gave the high honor speech. The Senior High Choir sang a beautiful song, "My Wish For You," and the High School Band played "That's What Friends Are For." Receiving Outstanding Senior Girl and Outstanding Senior Boy Awards were Sally Halbmaier and Jay Denny. Dan O'Laughlin and Jay Denny were the first ever to receive the Orville Heitkamp Award for Excellence in Natural Science. The Math Award, presented by Mr. Sauter was given to Jay Denny. Those students receiving scholarships were Jim Buesgens, Jay Denny, Mike Gaffney, Sally Halbmaier, Julie Halquist, Scott Hennen, Dave Jeffrey, Sheral Kahle, Sheri Mueller, Debbie Newell, Dan O'Laughlin, Jane Raleigh, and Don Tiegs. The retiring Superintendent, Dr. John Bartholow, presented his last class of graduates to Roger Delgehausen, who presented them their diplomas. As the band played the school song, "Anchors Aweigh," the graduates recessed. Many congratulations and tears were exchanged as the seniors bid farewell to BPHS.

Andy speaks on the Motto.

Honor speech is given by Joanne.



Jay puts humor into his high honor speech.

Jeff and Berta are happy it's over.

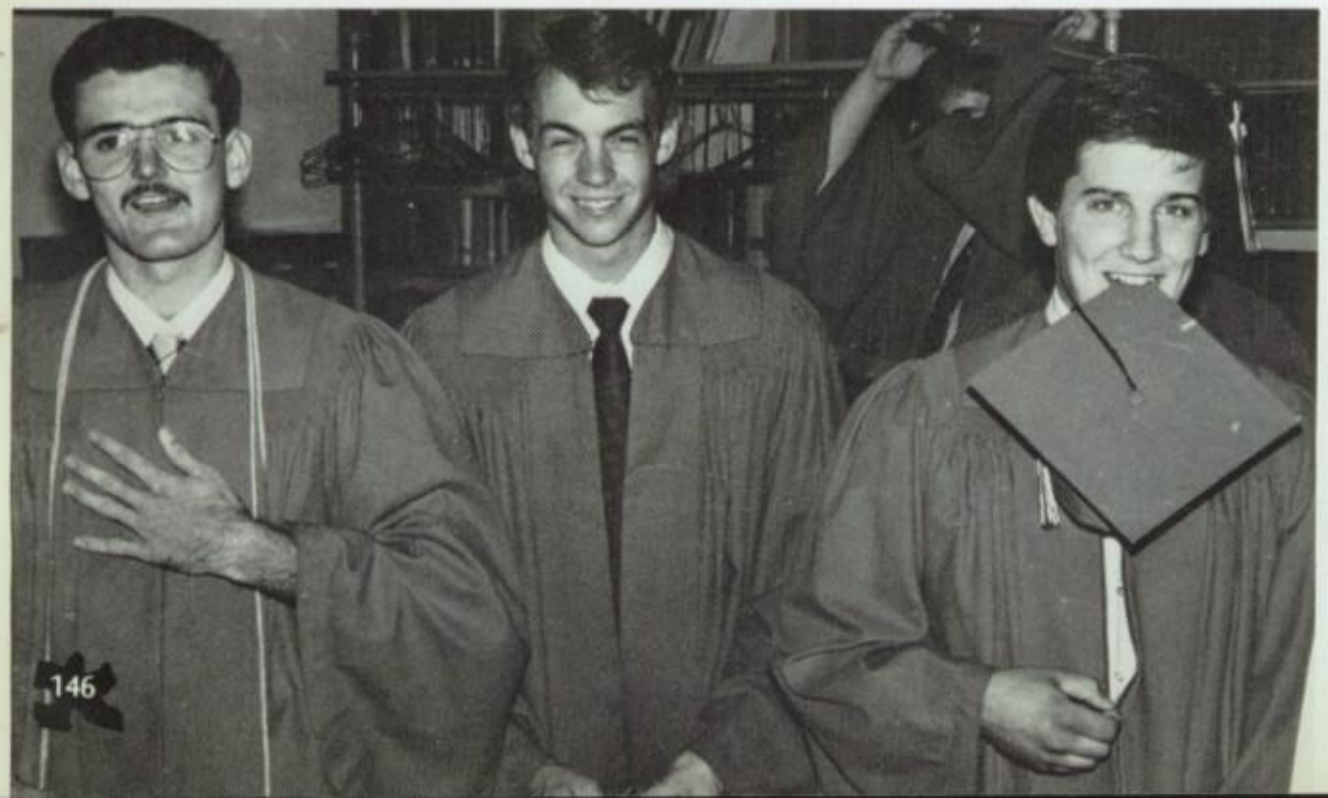
Senior High Choir sings "My Wish For You."

Top left: Mrs. O'Malley adjusts Scott's flower. **Top right:** Ann and Cathy are all smiles, but Mike seems bored. **Above:** Sheri and Sarah prepare for the processional. **Middle right:** "Look, it's signed," sighs Ernie. **Lower right:** "I'm done!" Don says to Ernie and Steve.

"OUR DREAMS TODAY WILL BE REALITIES OF TOMORROW;

Hey, guys, the sky's the limit!

Above left: Dave adjusts (?) Sheral's hat. **Above right:** Julie thinks, "Yeah, I'm graduating!" **Below:** Matt, Jeff, and Brian make last-minute adjustments.



Peg, Jane, Jenny, and Barb have that "We've made it!" look on their faces.

Paul gets a congratulatory hug.

Dan leaves BPHS with a lot of "class."

Below: Watch out world; here we come!

REALITIES TODAY WERE ONCE THE DREAMS OF YESTERDAY."

The Tigerian staff would like to thank the Administration, Faculty and Staff for their patience and cooperation throughout the year. A special thank you is extended to Mr. Orville Heitkamp and his class photographers for their many hours of picture taking and devloping — some beyond the call of duty. We wouldn't have made it without all of your help. Thanks!
